Meeting Started at 7:10PM

- I. Cookies, fruit, and tea was served at this meeting.
- II. A fire was lit to tell stories around.
- III. Everyone went around and introduced themselves, said how long they have lived in the canyon for, and where they lived in the canyon.
- IV. Stories about the way Highway 72 used to be shaped, the way the canyon used to look, families that founded the canyon, and wildlife seen in the canyon were discussed.
- V. The history of some of the homes that people own were discussed.
- VI. One of the most memorable stories was told by Gene Rouse regarding a fire truck falling into a thought-to-be frozen Carter Lake!
