

## BOARD MEMBER LETTER OF INTEREST

Thank you for taking interest in the Coal Creek Canyon Watershed Partnership (CCCWP). The Partnership was formed to support flood recovery efforts and provide for long-term resiliency and canyon watershed improvements. We are looking for board members who are interested in supporting this work. Membership requires being a fulltime resident or owning property within the watershed area. As a member, you will work with the board, property owners, and other stake holders in prioritizing projects; helping to inform the community about watershed issues; working to ensure the cooperation and coordination necessary to implement restoration projects; and participating in the fundraising necessary to implement restoration projects.

To help us understand both your interests and ability to commit to the work of the CCCWP, please write a short letter of interest providing your answers to the questions below in a separate document. Please also feel free to include any additional documentation that you feel would be helpful in supporting your application, such as a resume, letters of support, or examples of past non-profit board work.

1. Why are you interested in becoming a member of the CCCWP Board?
2. Describe your familiarity with and knowledge of the Upper Coal Creek Canyon Watershed Master Plan? How do you describe the master plan to your friends and neighbors?
3. What specific skills or abilities do you have that you would like to contribute to the work CCCWP?
4. How much time per month can you give to our work?
5. Are you able to attend monthly (usually electronic) meetings on a regular basis, review background materials before meetings, and participate in additional activities? (e.g. grant application preparation, preparing a work plans, reviewing contracts, participating in community events and fundraising activities?)
6. Have you ever served on a Public, Private, or Non-Profit Board? If so please provide details relating to the board and your duties.
7. Do you think others in the canyon would be supportive of you as a board member? If so, please explain why?
8. How would you make objective decisions about prioritizing projects with limited funding in our canyon?
9. What would you need to see accomplished in your time on the board in order to find that both you and the board were successful?

Please include your:

1. Name
2. Address (residence or property owned in the canyon)
3. Phone and email
